

Dear ICEARY Members,

It is time to start thinking about the ICEARY conference in March. We, at the Kane County ROE, are coordinating the Outstanding Student Awards program this year and are excited to read about the fantastic students you serve.

We are hoping to get at least one nomination from each region. To nominate a student, there are 4 things we need from you. First of all, you need to be a member of ICEARY. If you haven't yet joined, please do so. You can go to the ICEARY website (www.iceary.net) for information on joining. **Unfortunately, we are unable to accept any nominations that come from non-members.**

If you are already a member, there are a few things we need so you can officially nominate your student(s). Only #1 needs to be faxed, mailed, or scanned in and emailed. Everything else can be sent via email.

- 1) The attached signature page needs to be filled out and either faxed, mailed, or scanned in and emailed to us.
- 2) We need a written description from you, the nominator, as to why you think this student deserves to win. Please take some time with this. It really helps us decide who should be our finalists.
- 3) We need an essay from the student listing why he/she believes he/she deserves the award. Specifically, what obstacles he/she has overcome and why the program was helpful to him/her.
- 4) Please take pictures of your student. We use these in the presentation that will be showing during the luncheon. It would be nice to have AT LEAST two pictures of each student nominated.

Thank you all for your hard work. We know that you are very busy and this does take some time, but our students are always SO thrilled to be recognized for their efforts.

Students do not need to be available to attend the conference if they are a finalist or winner. We will be giving a sent in video option for students who are unable to attend. Please don't let not being able to get the student there in March to hold you up from nominating them.

Please call or email if you have any questions. Thank you for your time and effort!
